

Who Am I?

Going deep to find our true self.
What roles do I play in life and how
am I doing in the different roles?

Sacred Circle Retreat

March 28th – 30th, 2025

Come join us on a journey inward toward your authentic self. Discover what holds you back, experiences that consciously or unconsciously keep you from knowing and living an authentic life. Learn to release what keeps you captive in a “life of quiet desperation” —Henry David Thoreau.

Each man brings personal experiences that have held him back. At this retreat you will have the opportunity to work at releasing what stops you from being authentic and whole. In a safe, non-judge mental environment you will be free to go where you are willing to go assisted by other men. We won't tell you where to go or what to find. We'll only do what we can to facilitate your search and help you release what you find.

All journeys begin with a first step. A Gathering of Men invites you into our Sacred Circle Retreat this March to take that next step – sharing life skills, tools, and stories, and by learning from the example of others.

Other men from all walks of life will be there to give from their own unique wisdom experiences to open you onto a path that's yours alone, not laid out by anyone else.

Come join us. All of us who have journeyed on previous weekends will give and share encouragement on this life-enhancing experience.
